7/12/20	Preliminary session. Concerned about the online mode of learning. Was concerned about how answers need to be prepared	Suggested that she keeps in touch with her friends to keep abreast of the classes. Also read the lesson		MS
1/2/21	was concerned about hand writing as the handwriting is very small. So answer length becomes less when length adjusted, time becomes an issue	Have asked her to space out the words so that the written work will be neat and will fit the time allotted for writing		MS
7/6/21	Preparing for the upcoming exams. Have finished studying everything once and will start revision soon.	Seemed to be on top of things. Have asked to prepare a revision time table as well		MS

2/2/2021	The ice-breaking session revealed certain stress points affecting the mentee - stress caused by hectic semester schedule, burn out, lack of motivation on certain days.	Suggestions included 1. creating a realistic and systematic timetable 2. sharing the timetable to check if it was too intensive 3. identifying productive times for ^{studying}	Timetable revealed was too intensive and did not allow for much breaks. Pandays to be a day of rest / lighter workload.	 2/2/2021
2/3/2021	The second session looked at productive times of study as a point of departure.	Since the mentee stated that mornings were times when she could grasp concepts more easily, mornings were slotted for more difficult subjects and evenings for lighter subjects / revision.	Timetable primed for efficiency and productivity.	 2/3/2021

19-11-2020	First mentoring Seminar with Gopika is an attempt to get to know her better.	Gopika expressed her thoughts with an open mind. She faced difficulty in comprehending some specific topics and less confidence in communicating with others.	I asked her to maintain a timetable. Take notes on the topic which she feels difficult and I also asked to read and listen more.	 19/11/2020
5-2-2021	This meeting was conducted online after few months to know her level of improvement, and to ensure her potential.	She followed my words and at first it seems difficult for Gopika but later she tries to adapt to the habitat of having a prepared timetable.	This session was obvious and really helpful. She now attained confident in communicating with others in English.	 5/2/2021
8-7-2021	This meeting was a follow up of all the online interactions we held so far with the student, and to get the feedback whether the session have been helpful.	Gopika feel more down while communicating in English. She improved in that by reading more English fiction, novels and listening to more and more English speech.	This session made her gain more confident in speaking. She improved her speaking skill. Now she is fluent in English with no errors.	 8/7/2021
