Who we are

We are a team of education enthusiasts guided by teachers and driven by a vision to empower every educator with the **right technology to accelerate learning.**

What is Linways AMS

Linways Academic Management System is a single tool for managing all the academic activities happening in and around an institution. The perfectly engineered cloud based platform enables seamless management of everything from attendance marking to accreditation management

Automate daily tasks, share course materials, generate reports, make informed decisions with convenient insight, internal auditing reports, conduct online quizzes, manage **NBA/NAAC** accreditation and **NIRF** compliances, and do much more with our **Academic Management System.**

Free teachers from clerical works and let them focus on real teaching

Linways AMS makes all the clerical tasks of teachers such as report generation simple and effective. Teachers can dedicate their time and energy for real teaching.

Make your institution's future ready

We have engineered **Linways AMS** supported by the guidance and feedback of thousands of teachers, academicians and education experts to ensure that it can take care of all institutional needs of the present and would not miss anything for the future.

Uncompromised customer support

It's our commitment, not a word. We have built **Linways AMS** to be the perfect assistant for teachers and we assure anytime dedicated support to ensure 100% customer satisfaction.

Flexible-Affordable-Fair

Not every Academic Management Systems (AMS) are created equal. We have engineered **Linways AMS** with utmost care and passion to make it adaptable to all educational needs, affordable for institutions and fair to all users.
