1. Introduction

The State Govt. of Kerala have adopted the 6th UGC Scheme as per UGC Regulation 2010 for implementation in the Universities and Colleges (Aided and Government) across the State vide G.O(P) No 58/2010/H. Edn dated 27/03/2010. The Pay revision was effected from 01/01/2006 and advance increments with effect from 01/09/2008. The Career Advancement Scheme (CAS) i.e. Placement and Promotion of teachers have effect from 18/09/2010. However owing to difficulty in introducing the PBAS and API system of appraisal the same could not be implemented.

The MHRD vide Letter No.F1/77/2015-U.III(1) dated 2/11/2017 & 11/11/2017 has issued Orders revising the Pay scales of Teachers in Universities and Colleges in tune with the 7th Central Pay Commission Order. In continuation, UGC vide Gazette Notification dated 18/7/2018 has issued the new guidelines applicable to the same named as 'UGC Regulations on Minimum qualification for appointment of Teachers and other academic staff in Universities and Colleges and other measures for the maintenance of standards in higher education, 2018' in supersession of the ugc regulations on minimum qualifications for appointment of teachers and other academic staff in universities and colleges and measures for the maintenance of standards in higher education 2010 and all its amendments. Subsequently Govt. of Kerala vide G.O(Ms) No.28/2019/H.Edn dated 11/2/2019 has given sanction for implementing the placement/ promotion of teachers of Govt. Colleges pending under 6th UGC Scheme in accordance with the UGC 7th scheme regulations. Subsequently DCE has issued a circular inviting proposal for placement/ promotions.

The UGC 7th Regulation has incorporated a provision for Placement/Promotions of 6th Regulation with relaxed conditions with respect to PBAS API scoring under different categories. The PBAS under CAS of the 6th regulation, 2010 envisages API under three broad categories as detailed below:

- Category 1 - Teaching, learning and Evaluation related activities.
- Category 2 - Co-curricular, Extension and Professional Development activities.
- Category 3 - Research and Academic contributions.

It was mandatory for a teacher to have a minimum score in each category and a combined minimum of II & III categories taken together as per the UGC regulations 2010. As per the relaxed condition provided in the UGC regulation 2018, category 1 is excluded and only a combined minimum score of 2 and 3 categories is required for Placements. The PBAS envisages an expert assessment system constituted with a Screening Committee for placement of Assistant Professor Stage 1 to Stage 2, Stage 2 to Stage 3 and a Selection committee for Stage 3 to Stage 4.

- boost students' confidence. It is recommended that the teachers should give sufficient time for interaction to the students as 9% students feel that, they get less interaction/revision time.
6. It was found that, over 86% students have said that, the teacher's knowledge on usage of ICT was good. But 14% students feel that, improvements are required in enhancing knowledge on usage of ICT of the teacher. The reason behind this may be the unavailability of the ICT tools. Hence, it is recommended to the college, to provide necessary ICT tools to the teachers as and when required to improve the ICT enabled learning in the college.
 7. 93% of students thought that internship/field visits/projects in the curriculum was relevant and that the teachers showed interest for the same.

Therefore, it is recommended to the teachers to improve the process of internal assessment of the students.
 10. It was observed that, 72% of the students have said availability of the reference books is good. It was found around 28% students were not satisfied with availability of reference books in the college. Therefore, it is recommended to buy more reference books in the college. Teachers' role in inculcating soft skills/encouraging participation in extra and co-curricular activities
 11. It was observed that, around 92% students have agreed that, the teachers' take measures for inculcating soft skills and also encourage student participation in extra and co-curricular activities. DEPARTMENT OF ZOOLOGY
FEEDBACK EVALUATION-ACTION REPORT 2017-18

From the above analysis, it was observed that the students thought that laboratory, academic atmosphere, classroom facilities were satisfactory; however the library services could be improved. The Department discussed the matters with Principal and PTA to take appropriate steps to improve the facilities by taking initiatives in conducting seminars, workshops and value added/add on/certificate courses further enhance teaching-learning, to improve the library facility and ensure students effectively used the library hour. The Department has taken appropriate steps and authorized the teachers to adhere to the action plan of department for improvement in concerned criteria. From the above analysis, it is observed that the criteria like Clarity and Relevance of Learning Material, Extent of Coverage and Relevance Curriculum for Employability Enhancement could be further improved. The Department decided to report the matter to the Board of Studies and take appropriate steps to improve the same. The analysis of faculty feedback revealed that students were satisfied with the quality of teaching and efforts of teachers for their growth and overall development.

The analysis revealed that the alumni thought that the sufficiency of syllabus content to bridge the gap between academia and industry is inadequate as the curriculum is inadequate in relation to the current professional standards. Furthermore, the design of the courses in terms of extra learning or self- learning is insufficient. The Department decided to take active measures to communicate with the Academic Council to ensure the oneness of the curriculum is at par with the latest trends and technologies to meet the expected industry/current global scenarios so as to equip students' with the employability skills needed by industry.

The teachers have expressed their concern about the curricula in terms of the vastness of the topics for the subjects and felt that the Syllabi has to be revamped with more focus on outcome based education. The curricula can be modified as the depth of the syllabus of the courses in relation to the competencies expected by industry/current global scenarios is inadequate. They also felt that the syllabus content for the courses in terms of the burden on students is excess and that total contact hours spent on the curriculums is high leading to a shortage of time for extra learning. The number of contact hours also imposes a lot of burden on students. As a result, there is less scope of engaging time in taking up additional/value-added courses that inculcate a self-learning attitude.
