13/08/2021

All Saints' College, Thiruvananthapuram received a grant from Institute of Electrical and Electronics Engineers(IEEE) - Humanitarian Activities (IAC/SIGHT (Special Interest Group on Humanitarian Technology) to support grassroots humanitarian technology that address the COVID-19 crisis by IEEE members in their local communities. The project entitled 'Pulse-Oxygen Saturation-Temperature Monitoring Appliance' (POSTMA) is undertaken by the Departments of Physics, Humanities and NSS

Unit of All Saints' College. The project seeks to help the geriatric affected by acute hypoxia due to Covid-19. Consultation with the Additional District Medical Officer of Thiruvananthapuram by the project team in May 2020 on the user needs during the covid pandemic revealed that pulse oximeters were the need of the hour. As part of this project, we are distributing 50 Oximeters to three coastal area primary health centres at Vettucad, Veli and Kadakampally as well as to an old age home at Vettucadu- AakashaParavakal

	Distributed to	Numbers Distributed	Signature of Receiving Authority
1	Primary Health Centre, Vettucad	15	<i>Shreeja</i> Additional MO Vettucad
2	Primary Health Centre, Veli	15	<i>Barb.</i> Dr. B. N. S. Nair
3	Primary Health Centre, Kadakampally	15	Primary Health Centre Velli, Thiruvananthapuram
4	Old Age Home, AakashaParavakal, Vettucad	5	<i>Dr. Reshmi</i> DIVYA SANTHIA SH TRIVANDRUM VETTUCAD
